BOOK SYNOPSIS

I love this book. Truly, its mind-blowing in the most profound and exhilarating sense. This is an anthem for all we could be, an essential book for this, the most critical of recent times. I sincerely hope every woman who can read is given one, and has the time and the space to read it. - Manda Scott, author of Boudica and Into the Fire. In this extraordinary book of myth, memoir and modern-day mentors (from fashion designers to lawyers), Blackie faces the wasteland of Western culture, the repression of women, and the devastation of our planet.
